平成31年3月

市章

昭和41年3月31日の町村合併10周年、庁舎新築を記念して制定。水平は平和を、円形は町政の円満を、水平を突き抜ける山型は発展を、左右同型は合併町村の円満な発展を表現しています。

City Emblem

The city emblem was established to commemorate the 10th anniversary of the town-village merger which occurred on March 31st 1966, as well as the completion of the new town hall. The horizontal shape of an upside down triangle expresses peace, the circle represents a harmonious town administration, the mountain shape that shoots through the horizontal shape expresses development, and the symmetry of the emblem represents the well-rounded development of the merged town/villages.

市の花 [金魚草]

日本一の金魚の産地にちなんだ、花の形が金魚そっくりの「金魚草」。春になると白、黄、紫、紅、だいたい色と、色鮮やかな花を咲かせます。

City Flower [Snapdragon]

As the city boasts the number one production of ornamental goldfish in Japan, the snapdragon, with flowers that look just like a goldfish, was designated as the city flower. The snapdragon flowers bloom in the spring in many colors such as white, yellow, purple, red and orange.

市の木 [桜]

日本を代表する国花「桜」が、弥富市の木に指定されています。青く澄んだ空の下に咲く「桜」は、人々の心に潤いを与えてくれます。

City Tree [Cherry]

The cherry tree or "Sakura," the national flower representing Japan, is designated as the city tree of Yatomi. Beautiful cherry blossoms blooming under the clear blue sky instill a sense of richness in people's hearts.

市のキャラクター

弥富市が全国に誇る特産である金魚をモチーフにした「きんちゃん」。誕生日は平成8年10月3日の「8・10・3(やとみの日)」です。

City Character [Kinchan]

The city character was established in 1996 and is called "Kin-chan" which is based on the motif of a goldfish, the proud local specialty of Yatomi.

きんちゃん
