A large, fluffy brown teddy bear is the central figure, positioned in front of a light gray bingo board. The board features several colored circles with numbers: a red circle with '61' at the top left, a green circle with '3' at the top right, a blue circle with '51' at the bottom left, and an orange circle with '3' at the bottom right. The background is white with a decorative red and white striped border.

An illustration featuring a young girl with red hair and freckles, looking thoughtful with her hand near her chin. A large orange question mark is positioned to her right. In the upper left, there's a blue speech bubble containing a goldfish. The background is white with a decorative border.

An illustration featuring a yellow storefront with an orange striped awning and a blue food truck with a red striped awning. To the right, there is a banner with the text "マルシェ & キッチンカー" in large, stylized letters, with "20店舗" above the left side and "3店舗" above the right side. Below the banner, there is a string of colorful triangular flags (pink, yellow, green, blue) and a group of four happy children running towards the right.
